“Generator is stylishly designed and housed behind a large minimalist façade, like something straight out of an architecture magazine. The interior draws on concrete floor tiles, unpolished wood and pendulous birdcage chairs to achieve a sense of modernity and warmth. This is a stylish and well-thought-out place that travellers of all ages and tastes can appreciate.”

The Telegraph

“This place feels far more like a high-end hotel with beautiful design touches, a ground floor chill-out lounge, and restaurant and bar with a Nordic twist.”

**BUSINESS
